

SPOKANE CIVIC THEATRE®

Safety

MARCH 12, 2020

A NOTE FROM JAKE SCHAEFER, CREATIVE DIRECTOR AT SPOKANE CIVIC THEATRE

At Spokane Civic Theatre, the safety, security and good health of our employees, patrons and volunteers is our highest priority.

Due to current concerns surrounding COVID-19, we are taking extra measures to ensure that our building is safe for our community.

Accordingly, we are taking the following precautionary measures:

- Enhanced cleaning methods and increased frequency effective immediately
- Hand sanitizer will be available throughout our building
- Soap stock is confirmed in all bathrooms daily
- Employees, patrons and volunteers are regularly encouraged to wash their hands
- Honoring any ticket and Academy enrollment exchange requests related to health concerns (please contact the Box Office before your performance date) valid through June 21, 2020

With a sold out run of *Cabaret* in our Studio Theatre, *The Humans* opening on the Main Stage on March 27 and our Academy in Winter Quarter session, we are busy as ever and encourage you to take steps to protect yourself and others.

For more information, additional preventative measures and resources, please visit the Centers for Disease Control and Prevention website at www.cdc.gov.

Thank you for your support.

Sincerely in Good Health,

Jake Schaefer
