DIRECTOR'S NOTE

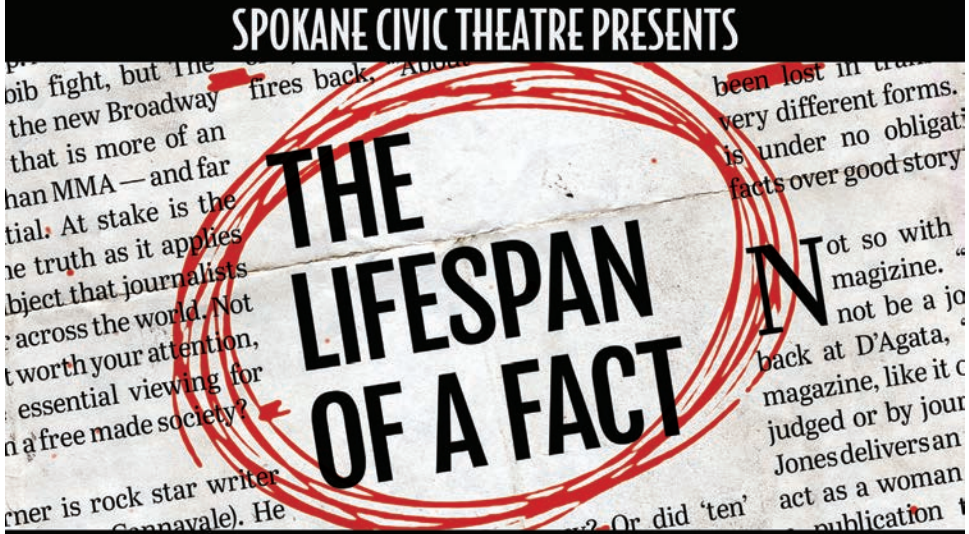

I can't express how good it feels to be back home again, after almost two years of being away, of not being able to tell stories with my people. Being away from the thing I love the most has been hard to say the least. So here we are. We made it. Let's appreciate every moment. Let's not take for granted this beautiful art form and the joy it brings to us and to our community. Thank you Spokane Civic Theatre for putting in the hard work and keeping this theatre, this home to many, alive. Now just relax, forget about the outside world for a bit and enjoy this wonderful work of Neil Simon's that is *Plaza Suite*.

Thor Edgell (Sam, Roy), new to Spokane Civic Theatre, was professionally trained at the Stella Adler Conservatory. His favorite onstage performance is the role of Atticus Finch in *To Kill a Mockingbird* (Glendale Center Theatre) where he received a Los Angeles Award for Performance. Other favorite stage credits include *The Right* (Ingemar Bergman Theatre), *Arms and the Man* (Little Fish Theatre), *Hamlet* (Stella Adler Theatre), and *Country Girl* (Burbank Center Theatre). In addition to a stage career, Thor co-starred in television shows such as "Criminal Minds," "Body of Proof," "Days of Our Lives," "The Practice," "Seventh Heaven," and "The Client List," starred in leading roles in the motion capture video games "Battlefield 3" and "Battlefield 4," portrayed many voices in the game "Skyrim," and is an ex-professional baseball player.

Local honors include "Best Actor" as Lenny in *Of Mice and Men* and the Arts Community Leadership award from the Spokane Arts Commission for his many contributions to local charities.

Mary George (Stage Manager) has been volunteering with local community theatres in the area for 12 years as both a stage manager and producer. "My favorite part of this work is all the amazing humans I meet along the way." Her recent credits include Stage Manager for *Lonely Planet* (Stage Left Theater) and *The Book of Will* (Civic), and Producer for *The Memory of Water* and *It's A Wonderful Life* (both at Civic).

Jamie is excited to get back into the fun and frivolity of live theater once again, and is incredibly happy to do that at her home away from home, Spokane Civic Theatre.

Angelina Jobe Cuba (Sound Engineer) grew up in Seattle, gaining familiarity with live performance by hands-on experience at The 5th Avenue Theater and Meany Hall. After moving to Montana, she discovered the art of audio engineering through local music venues.
